Dear Mr Arts

### **DIGITRACE – DIGITAL NOTICES TO MARINERS' SERVICE**

Following a period of evaluation of Marine Press of Canada's 'Digitrace' digital notices to mariners' service, I am pleased to inform you that the Maritime & Coastguard Agency recognises this service as satisfying any requirement, under the Merchant Shipping (Safety of Navigation) Regulations 2002, for the mandatory carriage of 'notices to mariners'.

This recognition is given on the basis that any notices that are reproduced, as part of the Digitrace service, are exactly as published by the issuing Hydrographic Office and in a 'read-only' format that cannot be altered by another party.

Yours sincerely

J.P. Collins
